### **Re: Proclamation Human Values Day April, 24<sup>th</sup> 2018**

Dear Mayor Arnold

On behalf of the Steering Committee and the large number of community volunteers at the Walk for Values, we like to express our deep gratitude to raise awareness to practice Human Values and to building the "Communities of Character". Canada is a great country and we are proud of its multiculturalism and the rich values we hold.

This is the 16th year that we again take an important step walking together at the Walk for Values 2018, not for "fund" raising but taking a pledge to transform self and the community by practicing values. The Walk for Values started in 2003 when street violence took place in Malvern area of Toronto. Your support for this Walk and the proclamation of "HUMAN VALUES DAY" on April 24, 2018 will bring greater awareness about human values that shape our lives and the future of our children. Please be rest assured, we will continue to work diligently to spread your message of living in harmony, caring for each other and our environment, in every city in Canada and around the world.

We have attached with this mail the following documents for your records:

- A write up about the Walk for Values and how it is spreading the Values and helping us to be better citizens of this great country
- Message from Prime Minister of Canada, The Right Honourable Justin Trudeau
- Proclamation and messages from the Province of Alberta , Province of British Columbia, Province of Manitoba and Province of Ontario
- Proclamation from Cities , Towns , Districts , Counties , Municipalities and Villages
- One page summary of **90 Human Values Day Proclamations received in 2017 from across Canada**
- Proclamation Template

We look forward for proclaiming April 24, 2018 as the "Human Values Day".

In addition, if you have any suggestions in bringing the transformation and it will be very much appreciated. Through a separate invitation, we will send to you the calendar of the Walk for Values to be held in nine Cities across Canada.
